Chapter 1 by Volleyball6

Hi! My name is Allie and I have had a crazy first day of school. It includes lions, scary teachers, homework that escapes, and more! Let me tell you all about it.

Chapter 2 by alina

When I first walked in, I didn't expect to fall in love...

--

Hold on, rewind.

--

No way am I falling in love at first sight. It was more like... second sight, and it definitely wasn't love. He was super cute though. I saw him out of the corner of my eye and when I went to take a closer look, I saw the guy that would twist my tongue when talking to him...

THAT'S NOT THE POINT THOUGH.

--

My point is that the first day was super interesting. The lions weren't even the half of it. I cringe and laugh just thinking about this day.

The most important part of my day was probably the boy. And the cringing comes from how I spoke to him. It was like I lost my mind.
